ACTIVITIES & ATTRACTIONS

As part of your conference we can offer a tailor made experience for your group.

These can be situated in various locales around the beautiful Church Road Winery from our container bar to the underground museum. We can offer something to entertain all during breaks from your conference. Discover the passion and innovation of our winemaking team. With glass in hand, sample multiple ways that we are using grapes for more than just the production of wine. From pressed juice to balsamic vinegar and barrel aged spirit, enjoy an informative behind the scenes look at our world of wine and the adaptability of this versatile fruit.

Your experience could include a guided tasting of our award winning range of wines to a chance to learn more about our winemaking philosophy, or the opportunity to sample some of our pre-release wines.

Enjoy the barrel halls, caves and historical underground museum finishing with an indepth wine tasting.
